

DOLLY'S INTERIORS- AWARDS OF EXCELLENCE FOR DESIGN & SOFT FURNISHING MANUFACTURER 2022

There are always organisations that stand out from their peers and set the standards for others in their profession to strive for. Dolly's Interiors, founded in 1987, clearly fits this description. They've built quite a name for themselves in recent years, earning a reputation as one of the industry's rising stars.

Their reputation is well-deserved, and it is now beginning to win them more tangible types of recognition. Their high levels of service are recognised and respected throughout Essex and surrounding areas thanks to 5 star customer reviews and recommendations.

We are delighted to announce that Dolly's Interiors has been awarded one of our Award of Excellence receiving the Award of Excellence for Design and Soft Furnishing Manufacturer of the Year.

There are numerous elements, but the most important is that they listen to their customers' needs and show great attention to detail, with the entire team working together to preserve the high standards that have become a trademark.

Dolly's Interiors was founded on excellent customer service and, to their credit, those values remain central to everything they do. Dolly's daughter Paula has been running the firm for the last 18 years, and with her knowledge and expertise, she leads the experienced 'in-house' production team

ensuring that she is involved in every step of the process, from initial contact to project completion.

They provide an all-inclusive facility and have a long history of making their clients' dreams a reality. Whether they are transforming a house into a home, a unit into a functional business space, or a building's heritage and history into a legacy, their clients have the peace of mind that they are working with a team of award-winning professionals that are among the finest in the field. They work within the clients' budgets and ensure that all work is completed to the highest standards in their workroom by their team of expert seamstresses and craftsmen. This means they can monitor quality firsthand and provide you with the greatest service possible.

Dolly's provides a full variety of services. They are virtually a one-stop shop, capable of performing all roles from design to curtains, blinds, upholstery and project completion. They never cut corners or compromise on the quality of service they deliver, regardless of the size of the task.

Their achievement has been well-deserved, and while this recent accolade is yet another big badge of honour, they remain ambitious and ever dedicated to the needs of their clients.
